## **REVOCATION INFORMATION:**

The City Manager or his designee may revoke the application if circumstances reasonably show that the event can no longer be conducted consistent with public safety or the Responsible Person does not meet the conditions set forth within the required time period. Any violations of the terms of this park reservation or park regulations, as determined by a police officer or a city parks official, immediately revokes this reservation.

### THIS APPLICATION IS SUBJECT TO THE FOLLOWING CONDITIONS:

**Application Submittal**: This application by itself does not serve as an approved reservation. Reservations will be reviewed on a first-come, first-served basis provided that the proposed use is appropriate for the designated area and consistent with park policies and regulations. **The established park reservation fee must be submitted along with the reservation application.** Payment of the fee secures the date and time requested, upon approval. If the reservation is denied, the reservation fee will be refunded. An individual or group that has an approved reservation will have first priority to use the section or sections of the park for the date and time listed on the reservation application.

#### \*Please take a copy of your approved application with you on the day of your event.\*

*Cancellations:* Reservations must be cancelled in writing with City Hall Staff no less than thirty (30) days before the reservation date for full refund.

General Information: Responsible Person/Group must restore Park areas used to its original condition by the end of the event. General Park users will be allowed to use other park facilities during the event. The City reserves the right to review and approve or deny any other requests that may be potentially hazardous, unsafe or cause damage. In the case of a "Group" reservation, a designated person from the group must complete and sign the park reservation application. This person will be responsible for the actions of the group while using the park and for the condition of the park after the scheduled event.

## **RULES AND REGULATIONS:**

- Parks open ½ hour prior to sunrise and close ½ hour after sunset. No one may enter or remain in the parks overnight unless camped in a specifically designated camping area or otherwise permitted.
